

## Scholarship Application

The North Carolina Heroes' Fund is dedicated to supporting the men and women of our state who defend our freedom. It is primarily intended to support the men and women of the United States Armed Forces who have served our country in harm's way in the execution of overseas military missions. The Fund will focus on men and women, or their families, who are currently serving or have recently served in the military and are currently enduring hardships.

The fund was established to provide support to military men and women from North Carolina or stationed at one of North Carolina's many military bases. This support is primarily centered on hardships which these men and women, or their families, may have endured due to their service overseas. Support may come in the form of scholarships for military personnel or their immediately family members.
